PROBATIONARY PERIOD:

This job has an initial and promotional probationary period of 6 months. For additional information refer to: <http://www.lrc.ky.gov/kar/101/001/325.htm>.

CHARACTERISTICS OF THE JOB: *Characteristics of a job are general statements indicating the level of responsibility and discretion of positions in that job classification. These are not intended to be an exhaustive list.*

Plans, assigns, reviews and evaluates the work of employees and/or contractors in the administration and management of energy conservation, energy analysis, energy procurement, and/or maintenance projects as they relate to energy conservation and energy procurement. Supervises professional and technical personnel and gives professional approval for implementation of various energy conservation measures and energy procurement plans; and performs other duties as assigned.

MINIMUM REQUIREMENTS:

EDUCATION:

See Special Requirements

EXPERIENCE:

Must have two years of experience as: a Certified Energy Manager in Training (EMIT) or Engineer in Training (EIT).

Substitute EDUCATION for EXPERIENCE:

NONE

Substitute EXPERIENCE for EDUCATION:

Certification as a Certified Energy Manager (CEM) by the Association of Energy Engineers or be licensed as a Professional Engineer by the Kentucky State Board of Licensure for Professional Engineers and Land Surveyors will substitute for both the required experience and license/certification.

SPECIAL REQUIREMENTS (AGE, LICENSURE, REGULATION, ETC.):

Must be certified as an Energy Manager in Training (EMIT) by the Association of Energy Engineers OR certified as an Engineer in Training (EIT). Must possess and maintain a valid driver's license prior to appointment in this classification. <http://www>.

aeecenter.org <http://www.kyboels.ky.gov/> Must maintain certification as an EMIT or CEM by the Association of Energy Engineers OR certification as an EIT or licensure as a Professional Engineer by the Kentucky State Board of Licensure for Professional Engineers and Land Surveyors for the length of employment in this job. Must maintain a valid driver's license for length of employment in this classification. Employing agency is responsible for ensuring employee possesses and maintains a valid driver's license.

EXAMPLES OF DUTIES OR RESPONSIBILITIES OF THE JOB CLASSIFICATION: *Examples of duties or responsibilities are not to be construed as describing what the duties or responsibilities of any position shall be and are not to be construed as limiting the appointing authority's ability to assign, or otherwise alter the duties and responsibilities of a position. This is not intended to be an exhaustive list.*

Supervises and evaluates the work of employees and/or contractors. Assists with the development of energy related policies and procedures. Reduces operating costs by improving the way the agency uses and consumes resources (i.e. water, natural gas, oil, electricity, and solid waste). Monitors and analyzes the use of resources and makes recommendations for adjustments to improve resource use while continuing to promote conservation efforts. Provides guidance to building operators for appropriate, effective management of their buildings and associated equipment. Motivates and educates occupants with regard to the efficient use of resources. May be involved in the design and construction oversight of all construction projects or lease evaluations to ensure energy best practices. Works directly with utility companies statewide on behalf of the agency relative to utility rates, rate structures, data transfer and the metering and rebate programs.

UNIQUE PHYSICAL REQUIREMENTS:

TYPICAL WORKING CONDITIONS: *Incumbents in the job will typically perform their job duties under these conditions.*

Work is typically performed in an office setting and at construction sites. Work at construction sites may involve exposure to dirty and dusty environments, hazardous material and noise. Extensive travel is generally required.

ADDITIONAL REQUIREMENTS:

Upon appointment, employees in this class may be required to maintain a valid driver's license and required to drive a licensed vehicle. This status may be necessary for the length of time in this class. If this is necessary it will be listed in the specific position description for that position. Applicants and employees in this job title may be required to submit to a drug screening test and background check. Applicants and employees in positions which perform job duties that may require contact with offenders in the custody or supervision of the Department of Corrections or with youth in the care, custody, or supervision of the Department of Juvenile Justice must meet qualifications pursuant to the federal Prison Rape Elimination Act, 28 C.F.R.115.17 and 115.317.

THE COMMONWEALTH OF KENTUCKY DOES NOT DISCRIMINATE ON THE BASIS OF RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN, SEXUAL ORIENTATION OR GENDER IDENTITY, ANCESTRY, AGE, DISABILITY, POLITICAL AFFILIATION, GENETIC INFORMATION OR VETERAN STATUS IN ACCORDANCE WITH STATE AND FEDERAL LAWS.
